15 ~~(e) If the state budget director determines that information provided by the grantee~~  
16 ~~does not meet the disclosure requirements, that the grant will be used to pay a tax lien,~~  
17 ~~delinquent tax, or other obligation owed to this state, or that the grant will create a~~  
18 ~~conflict of interest, the responsible entity shall not release the grant money to the~~  
19 ~~grantee. Money that is not released under this subdivision lapses at the end of the fiscal~~  
20 ~~year. There is not a conflict of interest if the sponsoring legislator certifies that the~~  
21 ~~sponsoring legislator's immediate family members, legislative staff members that have~~  
22 ~~worked for the sponsoring legislator within the past 2 years, and the sponsoring legislator~~  
23 ~~do not have a direct or indirect pecuniary interest in the legislatively directed spending~~  
24 ~~item.~~

25 ~~(3) An executed grant agreement under this section between the responsible entity and~~  
26 ~~a grant recipient must include at least all of the following:~~

27 ~~(a) All necessary identifying information for the grant recipient, including any tax~~  
28 ~~and financial information necessary for the responsible entity to administer grant money~~  
29 ~~under this section.~~

30 ~~(b) A description of the project for which the grant money will be expended,~~  
31 ~~including tentative timelines and the estimated budget. Project budget must include how all~~  
32 ~~grant money will be used and must indicate if any grant money will be provided to a third~~

1 ~~party or subrecipient. The responsible entity shall not reimburse expenditures that are~~  
2 ~~outside of the project purpose, as stated in the executed grant agreement, from~~  
3 ~~appropriations under the amendatory act that added this section. The grantee shall return~~  
4 ~~to the state treasury any interest in excess of \$1,000.00 earned on the grant money while~~  
5 ~~unexpended and in possession of the grantee.~~

6 ~~(c) Unless otherwise specified in the responsible entity's policy, a requirement that~~  
7 ~~funds appropriated for the grants described in subsection (1) may be used only for~~  
8 ~~expenditures that occur on or after the effective date of the amendatory act that added~~  
9 ~~this section.~~

10 ~~(d) A requirement for reporting by the grant recipient to the responsible entity and~~  
11 ~~the legislative sponsor that provides the status of the project and an accounting of all~~  
12 ~~money expended by the grant recipient, as determined by the responsible entity.~~

13 ~~(e) A clawback provision that allows the department of treasury to recoup or~~  
14 ~~otherwise collect any grant money that is declined, unspent, or otherwise misused.~~

15 ~~(f) The documents publicly disclosed under subsection (1).~~

16 ~~(4) If appropriate to improve the administration or oversight of a grant described in~~  
17 ~~subsection (1), the responsible entity may adopt a memorandum of understanding with another~~  
18 ~~state department to perform the required duties under this section.~~

19 ~~(5) A grant recipient shall respond to all reasonable information requests from the~~  
20 ~~responsible entity related to grant expenditures and retain grant records for not less than~~  
21 ~~7 years, and the grant may be subject to monitoring, site visits, and audit as determined~~  
22 ~~by the responsible entity. The grant agreement required under this section must include~~  
23 ~~signed assurance by the chief executive officer or other executive officer of the grant~~  
24 ~~recipient authorized to bind the grant recipient that the requirements of this subsection~~  
25 ~~will be met.~~

26 ~~(6) The grant recipient shall expend all grant money awarded and complete all~~  
27 ~~projects not later than September 30, 2030. If at that time any unexpended money remains,~~  
28 ~~the grant recipient shall return that money to the state treasury. If a grant recipient~~  
29 ~~does not provide information sufficient to execute a grant agreement not later than June 1,~~  
30 ~~2026, the responsible entity shall return money associated with the grant to the state~~  
31 ~~treasury.~~

32 ~~(7) Any grant money that is awarded to a responsible entity is appropriated in that~~

1 ~~responsible entity for the purpose of the intended grant.~~

2 (2) ~~(8) Except as otherwise provided in subsection (9), beginning March 15 of the~~  
3 ~~current fiscal year, the responsible entity~~ **In accordance with section 364(4) of the**  
4 **management and budget act, 1984 PA 431, MCL 18.364(4), the department or agency**  
5 **administering the grant** shall post a report in a publicly accessible location on its  
6 website **beginning March 15 of the current fiscal year.** ~~The report must list the grant~~  
7 ~~recipient, project purpose, and location of the project for each grant described in~~  
8 ~~subsection (1), the status of money allocated and disbursed under the grant agreement, and~~  
9 ~~the legislative sponsor, if applicable. The responsible entity~~ **The department or agency**  
10 shall update the report and **shall** post ~~the~~ **an** updated report ~~in a publicly accessible~~  
11 ~~location on its website~~ not later than June 15 of the current fiscal year and again not  
12 later than September 15 of the current fiscal year. ~~The responsible entity~~ **The department**  
13 shall include in the report the most comprehensive information ~~the responsible entity~~  
14 **department** has available at the time of posting for grants awarded.

15 ~~(9) If the state budget office determines that it is more efficient for the state~~  
16 ~~budget office to compile all affected responsible entities' information and post a report~~  
17 ~~of the compiled information rather than the report required under subsection (8) being~~  
18 ~~posted by individual responsible entities, the state budget office may compile that~~  
19 ~~information across all affected responsible entities and other state departments and post~~  
20 ~~the compiled report and any updates on the same time schedule as identified in subsection~~  
21 ~~(8).~~

22 ~~(10) If the responsible entity reasonably determines that the money allocated for an~~  
23 ~~executed grant agreement under this section was misused or that use of the money was~~  
24 ~~misrepresented by the grant recipient, the responsible entity shall not award any~~  
25 ~~additional funds under the executed grant agreement and shall refer the grant for review~~  
26 ~~following internal audit protocols, which may include referral for criminal investigation.~~

27 ~~(11) As used in this section, "responsible entity" means the department of lifelong~~  
28 ~~education, advancement, and potential, a community college, or other person that~~  
29 ~~administers a grant under this article.~~

30 Sec. 206. (1) Except for the funds appropriated in section 201(4)(b), **201(7), and**  
31 **201(8)**, the funds appropriated in sections **201 and 201f** are appropriated for community

4 time course load of 30 credits. This report must also specify the amount that tuition and  
5 fees have increased for the community college from the prior academic year. Each community  
6 college shall also report any revisions to the reported current academic year tuition and  
7 mandatory fees adopted by the community college governing board to the center within 15

10 (2) Each community college that receives an appropriation in section 201 shall  
11 certify to the state budget director by the ~~first-last~~ business day of ~~November~~**August** of  
12 each year that its board will not adopt an increase in tuition and fee rates for in-  
13 district students for the academic year that is greater than the tuition restraint  
14 described in this subsection. For the academic year ~~2025-2026~~**2026-2027**, the tuition  
15 restraint level is equal to the greater of ~~4.5% or \$227.00.~~**4.0% or \$199.00**. For the  
16 academic year ~~2026-2027,~~**2027-2028** the tuition restraint level is equal to the greater of  
17 ~~4.0% or \$199.00.~~**5.0% or \$255.00**. It is intended that in the next fiscal year, the tuition  
18 restraint rate will be adjusted only for the subsequent academic year. As used in this  
19 subsection:

20 (a) "Fee" means any board-authorized fee that will be paid by more than 1/2 of all  
21 in-district students at least once during their enrollment at a community college. A  
22 community college increasing a fee that applies to a specific subset of students or courses  
23 shall provide sufficient information to prove that the increase applied to that subset will  
24 not cause the increase in the average amount of board-authorized total tuition and fees  
25 paid by in-district students in the academic year to exceed the limit established in this  
26 section.

27 (b) "Tuition and fee rate" means the average of full-time rates paid by a majority of  
28 students in each class, based on an unweighted average of the rates authorized by the  
29 community college board and actually charged to students, deducting any uniformly rebated  
30 or refunded amounts, for the 2 semesters with the highest levels of full-time equated in-  
31 district enrollment during the academic year.

32 (3) Community colleges that exceed the tuition and fee rate cap described in

1 subsection (2) are not eligible to receive payments under section 201f for 1-time  
2 ~~performance funding~~ payments for fiscal year ~~2025-2026-2026-2027~~. The state budget director  
3 shall implement uniform reporting requirements to ensure that a community college receiving  
4 a payment under section 201f for 1-time ~~performance funding~~ **payments** has satisfied the  
5 tuition restraint requirements of this section. The state budget director has the sole  
6 authority to determine if a community college has met the requirements of this section.  
7 Information reported by a community college to the state budget director under this  
8 subsection must also be reported to the house and senate appropriations subcommittees on  
9 community colleges and the house and senate fiscal agencies.

10 (4) Notwithstanding any other provision of this act, the legislature may at any time  
11 adjust appropriations for a community college that adopts an increase in tuition and fee  
12 rates for in-district students that exceeds the rate cap established in subsection (2).

13 Sec. 223. (1) By January 15 of each year, the department of lifelong education,  
14 advancement, and potential shall submit to the state budget director, the house and senate  
15 appropriations subcommittees on community colleges, and the house and senate fiscal  
16 agencies a report on North American Indian tuition waivers for the preceding academic year  
17 that includes, but is not limited to, all of the following information:

18 (a) The number of waiver applications received and the number of waiver applications  
19 approved.

20 (b) For each community college submitting information under subsection (2), all of  
21 the following:

22 (i) The number of ~~North American Indian~~ **Native American** students enrolled each term  
23 for the previous academic year.

24 (ii) The number of North American Indian waivers granted each term, including  
25 continuing education students, ~~and the monetary value of the waivers~~ for the previous  
26 academic year.

27 ~~(iii) The number of North American Indian students who receive a granted waiver for~~  
28 ~~the previous academic year. The monetary value of the waivers granted each term for the~~  
29 **previous academic year.**

30 ~~(iv) The number of students attending under a North American Indian tuition waiver~~  
31 ~~who withdrew from the college each term during the previous academic year. For purposes of~~  
32 ~~this subparagraph, a withdrawal occurs when a student who has been awarded the waiver~~

1 ~~withdraws from the institution at any point during the term, regardless of enrollment in~~  
2 ~~subsequent terms.~~

3 ~~(iv)–(v)~~ The number of students attending under a North American Indian tuition waiver  
4 who successfully transfer to a 4-year public or private university, or complete a degree or  
5 certificate program, separated by degree or certificate level, ~~and the graduation rate for~~  
6 ~~students attending under a North American Indian tuition waiver who complete a degree or~~  
7 ~~certificate within 150% of the normal time to complete, separated by the level of the~~  
8 ~~degree or certificate.~~

9 (2) By January 1 of each year, a community college that receives an appropriation in  
10 section 201 or a tribal institution that receives funding for the North American Indian  
11 tuition waiver shall provide to the department of lifelong education, advancement, and  
12 potential any information necessary for preparing the report described in subsection (1),  
13 using guidelines and procedures developed by the department of lifelong education,  
14 advancement, and potential.

15 (3) The department of lifelong education, advancement, and potential may consolidate  
16 the report required under this section with the report required under section 268, but a  
17 consolidated report must separately identify data for universities and data for community  
18 colleges.
