

Michigan Community College Association Simple Syllabus Agreement

Simple Syllabus is a centralized, template-driven platform that enables instructors to quickly personalize and publish interactive class syllabi—all while ensuring compliance with regulatory and accreditation standards.

Goal:

Leverage the experience gained from working with nearly 10 Michigan community colleges to further improve the student experience across the state. With Simple Syllabus your campus can:

- Provide better access to accurate, curriculum information
- Promote student engagement and communication
- Improve consistency and academic standards for accreditation
- Better facilitate transfer initiatives and student mobility
- Reduce administrative and instructor workload

Pricing Benefits:

- Save 50% off of standard implementation costs
- Institutions with over >5,000 FTE receive 10% off ongoing SaaS fees
- Access to ongoing, free training seminars focused on Michigan community colleges and syllabus management concepts
