

Program Offering

Panopto is excited to partner with Michigan Colleges Online and offer member institutions preferred pricing for the Panopto Video Platform!

The MCO/Panopto Partnership includes:

- Discounted FTE tier-based pricing
- Ramped pricing for three (3) year agreements
- Cypress, Jade, and Emerald service tiers available
- Additional human captioning services included
- Free speech to text captioning
- Audio description support
- No cost integrations and set up fee
- Video content migration assistance available

Participating colleges will have the ability to easily create and share accessible video from anywhere, save on storage costs by managing, archiving, and organizing all campus video content in one central library. Panopto includes:

- Simple video creation (no software or plugins required)
- Viewer engagement tools such as quizzing, notes, and threaded discussions
- Easy student creation and submission of video assignments (desktop or mobile)
- LTI LMS integrations provide a native experience and allow users to create, access, and share video content inside the LMS
- Improve student experience
 - Search every word spoken, on screen, on slides, notes, metadata
 - Search for videos inside the LMS
 - Multi Language search
 - Apply tags to relevant content
- Improve student engagement
 - In-Video Quizzing
 - Discussions
 - Notes
 - Bookmarks
 - Viewing analytics
 - And more...
- Share campus events (recorded or live broadcast)
- Integrate with Zoom, WebEx, and Teams
